County Codes: Locate the county name in which your product is produced from the list provided.

Crop Year: The "Crop Year" is defined as: for a crop grown in soil, the calendar year in which it is harvested; for animals, the calendar year in which they are born or acquired; for poultry or eggs, the calendar year in which they are sold or to be sold. A crop year is required unless every crop of the product in question is subject to a security interest. If a crop year is not shown, it will be regarded as applicable for every year the EFS are effective.
